**EXAMINATION AND AUDIT OF ACCOUNTS**  
**DIVISION OF MUNICIPAL ACCOUNTING**  
**STATE TAX COMMISSION**  
**Concord, New Hampshire**

---

**SUMMARY OF FINDINGS AND RECOMMENDATIONS**

February 5, 1962

Board of Selectmen  
Pelham, New Hampshire  
Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Pelham for the fiscal year ended December 31, 1961, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

**SCOPE OF AUDIT**

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Trustees of Trust Funds, Cemetery Trust Committee, Library and Municipal Court.

**FINANCIAL STATEMENTS**

*Comparative Balance Sheets: December 31, 1960—December 31, 1961: (Exhibit A-1)*

Comparative Balance Sheets as of December 31, 1960 and December 31, 1961, are presented in Exhibit A-1. As indicated therein, the Surplus decreased by \$137.67 in 1961.

*Analysis of Change in Financial Condition: (Exhibit A-2)*

An analysis of the change in financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

**DECREASE IN SURPLUS**

|                                           |            |            |

*Comparative Statements of Appropriations and Expenditures—Estimated and Actual Revenues: (Exhibits A-3 & A-4)*

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1961, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a revenue surplus of \$3,236.40, plus a net unexpended balance of appropriations of \$2,101.02, resulted in a net budget surplus of \$5,337.42.

*Summary Statement of Receipts and Expenditures: (Exhibit B-1)*

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1961, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1961, is indicated in Exhibit B-2.

## AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book Balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredcined taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

## GENERAL COMMENTS

*Current Surplus:*

The current surplus (excess of total assets over current liabilities) decreased from \$32,560.40 to \$29,422.73, in 1961, as shown herewith:

|                          | <i>Dec. 31, 1960</i> | <i>Dec. 31, 1961</i> |
|--------------------------|----------------------|----------------------|
| Total Assets.....        | \$138,315.54         | \$136,335.10         |
| Current Liabilities..... | 105,755.14           | 106,912.37           |
| Current Surplus.....     | \$32,560.40          | \$29,422.73          |

*Accounts of Tax Collector:*

It is noted that as of the close of the fiscal year, December 31, 1961, the Tax Collector had cash on hand in the amount of \$956.36. In this connection, attention is called to the provisions of R. S. A. Chapter 41: Section 35, relative to the duties of the Collector, which requires that all collections made prior to December 31st be remitted to the Treasurer immediately thereafter, in order that such collections may be included in the Treasurer's receipts before the accounts are closed for the fiscal year.

It is also recommended that the Collector enter all tax collections *first* in the cash book and then post the accounts to the warrant book.

*Conclusion:*

The provisions of Chapter 184 of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next report of the Town.

We extend our thanks to the officials of the Town of Pelham for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER, *Director*  
Division of Municipal Accounting  
State Tax Commission

HUGH J. CASSIDY, *Auditor*  
LAURENCE N. BEAN, *Accountant*

## CERTIFICATE OF AUDIT

February 5, 1962

This is to certify that we have examined and audited the accounts and records of the Town of Pelham for the fiscal year ended December 31, 1961. In our opinion, Exhibits included herewith reflect the true financial condition of the Town as of December 31, 1961, together with the results of operations for the fiscal year ended on that date.

Respectfully submitted,  
HAROLD G. FOWLER, *Director*  
Division of Municipal Accounting  
State Tax Commission

HUGH J. CASSIDY, *Auditor*  
LAURENCE M. BEAN, *Accountant*

## REPORT OF PELHAM PLANNING BOARD

---

Regular scheduled meetings of the Board were held on the first Monday of each month in the Town Officers' Room in the Library. Special meetings were also held. Throughout the entire year attendance by townspeople other than those having direct business with the Board was negligible. The Board has no monopoly on ideas for town improvement and development, and appeals again to the people to attend meetings and participate in town planning.

As an indication of the rapid growth the town is experiencing and the need for planning for orderly development, five new subdivision plans for over 75 new homes were presented to and approved by the Board in 1961 for lot layout, street development and drainage.

Over 25 visits were made during the year by Board members, accompanied by the Road Agent and Building Inspector, to these and other subdivisions already approved and under construction.

The Board worked with the Selectmen, the School Board, and the Industrial Commission on future plans for a High School, local recreational facilities and town promotion, and assisted in securing an up-to-date aerial map of the town. Permission was granted to the Telephone Company to install underground lines in new subdivisions in place of overhead wires which should materially improve service.

Respectfully submitted,

PAUL FISHER, JR., *Chairman*  
*Pelham Planning Board.*

## REPORT OF INDUSTRIAL COMMISSION

---

Due to the late appointment of the new Industrial Commission, only two meetings were held in 1961. The first was to permit the new members to become acquainted with each other, familiarize themselves with the work of the previous Commission, and elect officers. The second meeting laid the ground work for the development of an aggressive program to publicize Pelham and its advantages as THE town for light industry to locate and build with.

With this start, your Commission has planned an active schedule for 1962, both within and without the State, and looks forward to a successful year. Any assistance or information helpful to the growth of the town will be more than appreciated.

Respectfully submitted,

PAUL FISHER, JR., *Secretary*  
*Industrial Commission.*

## REPORT OF THE TEMPORARY BUILDING INSPECTOR

---

55 permits for New Construction, estimated cost \$531,620.31.

35 permits for Additions and Alterations, estimated cost \$68,800.00

Respectfully submitted,

THOMAS J. CLEGHORN, *Temporary Building Inspector.*

# CIVIL DEFENSE DIRECTOR'S REPORT

For Year Ending December 31, 1961

During the year 1961 there was a greatly increased interest in Civil Defense both locally and nationally. The explosion of the 50 megaton bomb by Russia and increased world tension brought about much of the increased Civil Defense activity.

In February 15 members of the Pelham regular and auxiliary Police graduated from a police training school sponsored by Civil Defense in Exeter, New Hampshire. Pelham had the largest delegation at the school and traveled the farthest distance of any of the participating towns.

In October and November a course was sponsored by Civil Defense on First Aid to the injured and 18 persons were awarded certificates for completing the standard course. Arrangements have been made for the graduates of this course to take the advanced First Aid course to start in January of 1962.

In December Civil Defense sponsored a RADEF school (Radiological Defense) and 41 persons from Pelham plus 10 from Windham and one from Methuen, Mass. graduated from this school. The Town of Pelham has been loaned three complete sets of instruments which can detect and measure radio-activity. These instruments are kept at three different locations within the Town and a team of graduates of the RADEF school have been assigned to each set of instruments.

On April 28 we took part in a state-wide Alert and we had excellent participation by the local Civil Defense groups. Police and auxiliary Police manned the various check-points and all traffic was stopped for fifteen minutes with the exception of one location where the signals were not heard. The one complaint was the difficulty in hearing the fire siren by those stationed at outlying posts. Firemen and auxiliary Firemen responded to the Civil Defense Alert and the Gage Hill unit was called to the center for standby and two pieces of equipment were sent to North Pelham for a test run, to a simulated fire at Pelham Lumber Co. The local nurses' unit met during the Alert and discussed plans for medical activity during a civil emergency. A list of medical supplies that the Town should have on hand was drawn up by the medical unit and these supplies have been purchased and are stored in the Civil Defense cabinet at the Police Station.

During the year we have purchased through the Matching Funds Program two mobile radios, one on the Police Band and one on the Forestry Band. Under the Matching Funds Program the Town only pays one-half of the cost of the equipment purchased. Requests are presently pending on one mobile radio on the Forestry Band for the Fire Department and a generating plant with all allied equipment for emergency power for the Civil Defense headquarters. Generating equipment is a pre-requirement to purchasing any base station radio equipment and would have many important functions during any civil emergency. The total cost of the generating plant including gas tank and enough gas to run the plant for 15 days is estimated at \$970.00 of which the Town's share would be \$485.00.

I had anticipated that this equipment would be obtained during 1961, however, because of the many changes in O. C. D. M., all requests for Matching Funds equipment have been delayed and it will be some time before we will know when our application has been approved. Money from the Civil Defense funds set aside for the purchase of this equipment has been returned to the general fund, thus I will be requesting that this money be re-allotted to Civil Defense in the 1962 budget.

During 1961 sundry items were purchased through the New Hampshire Distributing Agency which had an acquisition value of \$929.23 to the Federal Government, but which cost the Town only \$57.65.

Many requests have been received for information on fallout shelters and today I have been advised of one shelter having been completed and others in the planning stage. A survey is presently being conducted by the Federal Government to determine whether or not we might have suitable shelters for 50 or more persons which, if available, may be stocked and equipped in the near future. Sites to be checked in Pelham include St. Patrick's Parish Hall, the Library, and Pelham Inn.

I wish to thank the Selectmen, Albert Harris, Thomas Cleghorn and Albert Nolin and Chief of Police Ralph Boutwell and Fire Chief Richard Mansfield for their co-operation and assistance, and also all the persons who participated in the various programs conducted during 1961 by Civil Defense.

Respectfully submitted,

ALTON M. HODGMAN, *Local Director.*

## REPORT OF HEALTH OFFICER

The following communicable diseases and reportable cases have been reported to your Health Officer and by him to the New Hampshire State Department of Health:

|                     |   |
|---------------------|---|
| Mumps.....          | 2 |
| Chickenpox.....     | 1 |
| Measles.....        | 7 |
| German Measles..... | 4 |
| Strep Throat.....   | 1 |
| Dog Bite.....       | 9 |

Board Home Licenses have been issued in conjunction with the New Hampshire State Department of Public Welfare for the boarding of children as follows:

- 1 Child, either sex—Infancy to 3 years
- 7 Children, either sex—Infancy to 6 years
- 3 Children, either sex—Infancy to 11 years
- 1 Child, either sex—Infancy to 12 years
- 4 Children, either sex—Infancy to 16 years
- 2 Children, either sex—2 years to 8 years
- 2 Children, either sex—2 years to 12 years
- 1 Child, either sex—6 years to 16 years

Several complaints have been received regarding disposal systems and in each case the owners were advised that New Hampshire law provides that waste material from sinks, toilets, etc. must be conveyed away underground in a manner so as not to be offensive. The State Department of Health assisted me on one complaint and a dye test showed conclusively that waste from a new septic tank installation was not being conveyed away underground and the system was later found to have been incorrectly installed and it was corrected.

I wish to thank Anna Horskin, School Nurse, for reporting cases of communicable diseases in the Pelham School.

I also wish to express my sincere thanks for all courtesies that were extended to me in the investigations carried out during the year.

I respectfully urge that all cases of communicable disease be reported by postcard to: Health Officer, Pelham, N. H., so that we can assist the New Hampshire State Department of Health in its efforts in the control of communicable diseases.

Respectfully submitted,

ALTON M. HODGMAN, *Health Officer.*

## SELECTMEN'S REPORT

The Selectmen feel that substantial gains have been made toward the solving of a number of Town problems, some of which we mention here.

The Selectmen met in Concord, N. H. with officials of the Granite State Electric Company and the Public Utilities Commission. At this meeting it was agreed that the Granite State Electric Company will establish a service center on the Salem end of Route 38, from which they will service the Pelham area. This should improve our service immeasurably.

We have had two meetings with State highway officials and one meeting with Governor Powell in an effort to get a better approach and access to Route 93. We did not expect to accomplish this objective in one year, but do expect to carry it on to a successful conclusion.

After consulting with the State bridge engineers, the Selectmen found it necessary to post the town bridges due to excessive weight carried by trucks operating in the building of the new highway.

There is a great need for a survey of town property, as to value and whereabouts. The Selectmen hope the townspeople will approve an appropriation of money for the purpose of starting this very necessary survey.

The Selectmen wish to thank Mr. Louis Forrest for his efforts which enabled the Road Agent to improve the condition of the extension of Albert Street.

The Selectmen felt that this was an appropriate time to have a picture of the first town-owned police cruiser on the cover of the town report.

In conclusion we wish to acknowledge the complete cooperation of all town officials and the general interest of townspeople during the past year.

Respectfully submitted,

ALBERT R. HARRIS, *Chairman*  
THOMAS J. CLEGIORN  
ALBERT D. NOLIN

*Selectmen.*

## REPORT OF PARKS & PLAYGROUNDS COMMITTEE

A committee on Parks and Playgrounds was appointed by the Moderator at last year's town meeting to investigate any available land to be reserved for recreational purposes in the future for the youth of Pelham. The members of the committee wish to report that they held four meetings during the year. They also made a trip to Nashua and checked at the Registry of Deeds to try and find out what land is owned by the town, but were unable to obtain the proper information, and feel the services of a qualified surveyor is needed. The committee believes that this is a sound and good project and should not be dropped, but a committee should be appointed to continue further investigation of town land and Gage property.

The committee wishes to thank you for at least being a part of this project. They also hope that the committee appointed for next year and the years following will feel as sincerely and strongly for this project as we do.

Respectfully submitted,

FREDERICK GARLAND, *Chairman*  
ALBERT HARRIS  
MARY MARRONI

## FIRE WARDENS' REPORT

### AN APPEAL FROM YOUR FOREST FIRE WARDEN

In these days of constantly rising taxes and wages, any unnecessary expense is an added burden on everyone's pocketbook—yours and mine. Forest fires cost money and damage our valuable woodlands. Lightning sets some forest fires, but we have no control of lightning. Children cause many fires. Ninety-eight percent of our forest fires result from human carelessness—our carelessness. This, we—you—and I can do something about.

When we require you to obtain a permit for out-of-doors burning or forbid you to burn on days of high fire danger or set up regulations—hours, etc., governing the use of the town dump we are simply protecting yours and the town's interests.

The ever present threat of forest fires is the concern of all of us; the responsibility for preventing them is ours and the cost of extinguishing are ours. We can do something about this problem, by being aware of and alert to the danger and by cooperating with your warden.

Do the things that are required of you—

1. Follow the warden's directions.
2. Secure the required burning permit.
3. Keep your fires under control.
4. Completely extinguish your fires before leaving them.
5. See that your children are properly cautioned.

Everyone will benefit by it.

## REPORT OF LIBRARY TRUSTEES

---

We now have in our possession the N. H. Revised Statutes Annotated. These books are accessible to all townspeople at the library. We hope it will create greater interest in town affairs for all, and enable students to complete assignments on N. H. law.

We would like to urge a greater attendance of adults at the library. A new magazine is being added, "Consumer's Report." All issues are indexed, and pages numbered consecutively. They will be inserted into a snap ring cover. The purpose of the magazine is to enable a person to become a really scientific shopper. The magazine covers such items as appliances, pharmaceuticals, old and new products, giving costs, defects and advantages.

The trustees and librarian attended a trustees' conference at Concord. The generally poor picture of N. H.'s library facilities was outlined.

Films again of all types are available—many of which are free.

The trustees are grateful for the donation of reference books from a former trustee. We also wish to express gratitude for memorial gifts and donations.

We have reserved a book shelf for memorial books. Anyone wishing to donate a book or a series, in memory of loved ones, may do so, the book to be properly inscribed. Then, the deceased, through the book, could really go on living, and inspiring others.

School acquaintances and other friends of the late Mark Hazelton, who was a student of the E. G. Sherburne school may use literature donated in his memory.

The library has been improved by additional children's shelves. New shelves have been placed for book storage in a closet. We now have separate shelving for reference books in the Memorial Room, and they are easily accessible to students. These books, of course, cannot leave the library.

A Civil War Centennial display was held in June at the library with an impressive, historical ceremony. The audience adjourned to the town hall where an additional interesting program was conducted. Many hours were graciously donated by Miss Francis Hobbs for the program. She also provided many of the display items, such as letters, uniforms and other related objects from that period.

There were other timely historical displays arranged in the Memorial Room by a new resident, Mr. Jesse Wells.

There were many new members in our school curriculum. The librarian and trustees gave a tea party to welcome both our old and new teachers. We wished to give the teachers the opportunity to note table displays and contents of book shelves. The librarian spoke of her services as available to schools.

We have attempted to provide service for all age groups in our community this past year, and we will strive to better that service in the coming year wherever possible.

Respectfully submitted,

DORIS PARKER, *Chairman Library Trustees.*

I herewith submit my report as Librarian of the Pelham Public Library:

\*"Definition of a Librarian: The public librarian with intelligence, imagination and wide knowledge of materials is able to make the resources of the library vital to individuals and groups. The library's unique function of serving as the one unbiased, non-partisan bureau of information for all people of all ages calls for personnel of the highest competence and integrity. The librarian must have the ability to select, preserve and make readily available to all people materials which will assist them in educating themselves; keep pace with progress in all fields of knowledge; be more capable in their daily occupations; develop their spiritual and creative capacities; appreciate and enjoy works of art and literature; make such use of leisure time as will promote personal and social well-being. The librarian must have a sympathy with children as well as a broad knowledge of suitable books for their needs, and an understanding of teen-agers and the literature suited to this age group."

In March I took a six weeks course in Story Telling at the Manchester City Library, Manchester, N. H.

To celebrate National Library Week in April a book jacket coloring contest was held with great enthusiasm.

In May and June a series of eight weeks story telling hour was held on Saturday mornings. 193 children attended, 32 stories were told. Four children were awarded a book for perfect attendance.

In July it was my pleasure and great privilege, through a scholarship, to attend the University of New Hampshire, taking my third year course in Public Library Techniques.

In October the library sponsored an Arts and Crafts Show in the Pelham Town Hall.

In November I attended weeding classes at the Derry Library, Derry, N. H.

In August I was appointed secretary of the New Hampshire Library Association, this requires a meeting once a month at the Manchester City Library, Manchester, N. H.

The school has borrowed a collection of 210 books which I collect for them from prepared lists by the teachers.

The trustees and I have attended neighborhood meetings and conferences throughout the year.

Displays of special collections have been displayed in the library throughout the year.

I am still engaged in cataloging the entire collection in the library.

I wish to express my appreciation to the many interested friends from whom the library received many gifts of books, magazines and donating their time to aid the library.

It has been a very interesting and busy year at the library and I hope to progress with the community.

Respectfully submitted,

MARION E. CROSSLEY, *Librarian.*

## REPORT OF POLICE DEPARTMENT

---

During 1961 the Police Department has been very active. We attended a police school at the Billerica House of Correction sponsored by the County Sheriff, a course on Search and Seizure sponsored by the F. B. I., and a course on the use of tear gas equipment, sponsored by the Methuen Police Department. We also had the largest delegation at the police training classes conducted in Exeter, N. H., under the direction of the State Civil Defense Agency. Several of the department members are presently attending a course sponsored by the F. B. I. in Brookline, N. H.

Our new police cruiser has been very active and various officers have been assigned for cruiser patrol for a minimum of three nights a week, four hours nightly. As a result of these patrols the department has recovered stolen cars, discovered unlocked doors at various business establishments in the night-time, answered all accident calls, ambulance calls and fire calls. Because of the limited funds available, only one officer has been assigned at a time for cruiser duty, however, you will normally see two officers working together, one of whom is donating his time so that the other will have immediate assistance if required.

There has been an article inserted in the Town Warrant for your consideration, requesting that the office of Police Chief be filled by appointment rather than election. In my opinion, no matter who the law enforcement officer for the town is, he should not be selected on a political basis.

In closing, I wish to acknowledge the complete cooperation of all town officials, retired police chief Arthur H. Peabody, the Pelham Police Relief Association, and townspeople, and express my sincere gratitude for their efforts.

Respectfully submitted,

RALPH S. BOUTWELL, *Chief of Police.*

**SCHOOL WARRANT**  
**THE STATE OF NEW HAMPSHIRE**

---

To the Inhabitants of the School district in the town of Pelham, New Hampshire qualified to vote in district affairs:

You are hereby notified to meet at the E. G. Sherburne School in said district on the 28th day of March, 1962, at two o'clock in the afternoon, to vote for officers under Articles 1, 2, 3, and 4. Polls will be open from two to nine p.m. Action on remaining Articles will begin at 8 p.m.

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
9. To see if the School District will vote to raise and appropriate the sum of \$7,429.60 for the purpose of transporting Pelham High School students to Nashua High School and Alvirne High School for the school year 1961-62, or to take any other action relative thereto. This sum to be paid to the School District by the Selectmen before June 30, 1962. The expenditure of this money was authorized by the State Board of Education as an emergency measure for the current year upon petition of the School Board and Budget Committee, September 13, 1961.

10a. To see if the School District will vote to provide transportation for high school students to Nashua High and Alvirne High, and to raise and appropriate the sum of \$11,430.00 for this purpose, or to take any other action relative thereto.

10b. If section "A" is passed in the affirmative to see if the School District will vote to authorize the School Board to sign contracts with the City of Nashua and the School District of Hudson for the exclusive attendance of our future high school students.

11. (a) To see if the District will vote to appoint a committee to investigate (1) the present and future needs of the town as to classroom space (2) the present and future plans of High School and Elementary school education. This Committee to report its program from time to time to the School Board and submit a complete report and recommendations at the next Annual School District meeting.

11. (b) If section "A" is voted in the affirmative this Committee shall be composed of five members as follows: one School Board member, one Selectman, one Planning Board member, one Budget Committee member, and one member elected by this meeting, to serve as Chairman. The other four members are to be appointed by the Committee they are representing.

12. To transact any other business that may legally come before this meeting.

Given under our hands at said Pelham this 23rd day of February, 1962.

# AUDITORS' REPORT

## DIVISION OF MUNICIPAL ACCOUNTING STATE TAX COMMISSION Concord, New Hampshire

### SUMMARY OF FINDINGS AND RECOMMENDATIONS

Submitted herewith is the report of an examination and audit of the accounts of the Pelham School District for the fiscal year ended June 30, 1961, which was made by this Division in accordance with the vote of the District. Exhibits as hereafter listed are included as part of the report.

#### SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the School Board and the School District Treasurer.

*Comparative Balance Sheets:* (Exhibit A)

Comparative Balance Sheets as of June 30, 1960 and June 30, 1961, are presented in Exhibit A. As indicated therein, the Net Debt decreased by \$17,253.21 during the fiscal year ended June 30, 1961.

*Analysis of Change in Financial Condition:* (Exhibit B)

An analysis of the change in financial condition of the School District during the fiscal year is made in Exhibit B, with the factors which caused the change indicated therein.

*Comparative Statements of Appropriations and Expenditures—Estimated and Actual Revenues:* (Exhibits C & D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended June 30, 1961, are presented in Exhibits C and D. As indicated by the budget summary (Exhibit D), a net unexpended balance of appropriations of \$9,953.84, plus a revenue surplus of \$1,494.03, resulted in a net budget surplus of \$11,447.87.

*Summary Statement of Receipts and Expenditures:* (Exhibit E)

A summary statement of receipts and expenditures for the fiscal year ended June 30, 1961, made up in accordance with the uniform classification of accounts, is included in Exhibit E. Proof of the Treasurer's balance as of June 30, 1961, is indicated in Exhibit F.

*Statement of Building Fund Account:* (Exhibit G)

A statement showing the activity in the Building Fund account during the fiscal year ended June 30, 1961, is presented in Exhibit G.

*Statement of Bonded Debt:* (Exhibit J)

A statement of the outstanding bonded indebtedness of the School District as of June 30, 1961, showing annual debt service requirements, is contained in Exhibit J.

### GENERAL COMMENTS

#### *Current Surplus:*

The current surplus (excess of total assets over current liabilities) increased from \$2,982.16 to \$10,235.37, during the fiscal year ended June 30, 1961, as shown herewith:

|                          | June 30, 1960 | June 30, 1961 |
|--------------------------|---------------|---------------|
| Total Assets.....        | \$7,221.46    | \$14,201.38   |
| Current Liabilities..... | 4,239.30      | 3,966.01      |
| Current Surplus.....     | \$2,982.16    | \$10,235.37   |

*Conclusion:*

The provisions of Chapter 184 of the Laws of 1955, require that the summary of findings and recommendations (letter of transmittal) of this report shall be published in the next annual report of the School District.

We extend our thanks to the officials of the Pelham School District for their assistance during the course of the audit.

# SUPERINTENDENT'S REPORT

To the School Board and citizens of the Pelham School District:

It gives me pleasure to submit my seventh annual report as your Superintendent of Schools.

"The best laid plans of mice and men go astray," is a statement that can well apply to your Superintendent and School Board. Last Spring we had planned that 1961-62 would see the installation of a school library with the added possibility of having a teacher free to work in the area of remedial reading. With this in mind one of the ground floor rooms in the Junior High was renovated and refurnished to make a very attractive room for library purposes. You no doubt are aware of what happened. First our enrollment demanded full classroom assignments to the fourteen teachers we had requested; that took care of our Remedial Reading Program. Second, and third grade increased in enrollment to the extent that an additional teacher was mandatory by November. This made it necessary to utilize all available classroom space so we were back to where we started, all fifteen rooms in use with no library. I must say that the anticipation of the two added services was nice while it lasted.

I believe this points up to a problem of which your School Board is well aware. "Where are we going to accommodate our children if the unusual growth in school enrollment continues?" Certainly there is no present indication of where or when it will stop. At this moment the enrollment at the E. G. Sherburne School is higher than it has ever been. Take a careful look at the enrollment chart included in this report.

## NEW TEACHERS

You will note that for the first time all our teacher replacements have either had previous teaching experience or are graduates of certified teacher training institutions. This speaks well for the school system as a whole. Your school board in taking a realistic approach to the problem is proposing a minimum of \$4,000.00 for beginning teachers. In my opinion this is a MUST if we are to maintain our present standard of instruction and I hope your support is forthcoming.

Principal Raymond G. Edwards, U.N.H., B.A. 1956, M.Ed. 1962 to replace Charles Juris who resigned to accept a position in New York State. Mr. Edwards was released from his position as of January 1, 1962 to become Teacher Consultant for Supervisory Union No. 27.

Principal Oliver J. Chatfield, B.A., St. Anselms 1958; M.Ed. Fitchburg State Teachers College with extension work at U.N.H. to replace Mr. Edwards. Mr. Chatfield has had teaching experience in Seabrook and Hudson with administrative experience in the Weare Elementary School, Weare, N. H.

Miss Carol A. Abbott, B.Ed., Keene T. C. 1961, as an additional teacher in Grade 5 and 6. Miss Abbott did her cadet teaching in the Nashua school system.

Mrs. Bobbie J. Cannon, B.S., New Jersey State Teachers College 1956 as an additional teacher in Grade 3. Mrs. Cannon had previous teaching experience in New Jersey and New York.

Mr. Robert E. Jackson, B.Ed., Plymouth T. C. 1955 to replace Harold Sipsey as Science teacher in Grades 7 and 8. Mr. Jackson did his cadet teaching in Laconia High School in the area of Math and Science.

Miss M. Patricia Leahy, B.Ed., Lowell State Teachers College 1961 to replace Miss Marla Hildreth grade 5 who resigned. Miss Leahy did her cadet teaching in the school systems of Lowell and Burlington.

Mrs. Helen C. Leitton P.T.C., 1937 with summer sessions at U.N.H. to replace Mrs. Jane Cardwell who resigned to accept a position in Connecticut. Mrs. Leitton has had previous experience in the school systems of Laconia, Sandwich and Bethlehem, N. H.

Mr. Richard J. Simensen, B.Ed., K.T.C. to Replace Miss Marcelle Chenard as Social Studies teacher in Grades 7 and 8. Mr. Simensen did his cadet teaching at the Hood Junior High School, Derry.

Miss Mary E. Winters, B.Ed., Lowell State Teacher College 1961 to replace Miss Mary Nims, grade 1, who resigned to accept a position out of state. Miss Winters did her cadet teaching in the school systems of Lowell and Andover.

### REPAIRS AND REPLACEMENTS

The usual program of repairs and replacements has been carried out as outlined in your last year's report. Needless to say the Junior high is a much pleasanter unit in which to carry on instruction this year. It is proposed that a much needed painting program be carried out in the North wing this summer. There is a need for this if we are to continue the maintenance policy of the past few years. Shelves and storage spaces are asked for in those rooms that do not already have them. This not only cuts down clutter but improves the classroom as a functional unit. Your school board is to be commended for their efforts in establishing a program that is not prohibitive money wise, and is at the same time forward looking.

### CUSTODIAN

Lorin Raymond has maintained his usual high level of efficiency in his custodial work. His cooperation and efforts in maintaining a clean and sanitary building are appreciated by all concerned.

Now that the All-Purpose room is used to such a large extent for evening programs (this is wonderful) wouldn't it be well to think in terms of a person just to be responsible for that part of the building when it is in use. It is a man sized job to keep the building clean and orderly during its day time use.

### INSTRUCTION

The continued success of Pelham's young men and women in their college and high school programs reflects the continued high caliber of instruction in the E. G. Sherburne school.

I was indeed sorry to lose the services of Teacher Consultant Paul O'Neil as of January 1, 1962. Paul's interest and efforts toward promoting a forward looking educational program will, I'm sure, be carried on by our new Teacher Consultant, Mr. Raymond Edwards, formerly your Supervising Principal.

### SCHOOL LUNCH

Velma Houle and her aids without doubt operate one of the most efficient lunch programs in the state. Their combined efforts have maintained a lunch program that enjoys a very high percentage of participation; I know of no better criteria for the quality and quantity of the food served to youngsters. Their good work is appreciated by all concerned.

Had you noticed—

How much the All-Purpose room is being utilized by the townspeople?

That Mr. Carpenter has quite a conversational French program?

That the bus loading area needs to be blacktopped?

How much brighter the Junior high rooms are?

That your School Board spends many late hours of work in the interest of your children?

That the school enrollment has increased over last year?

In closing I wish to express my sincere appreciation to the School Board, citizens, teachers, and pupils for their cooperation during the past year. It has made my working with you a most pleasant experience.

Respectfully submitted,

LOUIS L. RAMSAY

*Superintendent of Schools.*

## REPORT OF SCHOOL NURSE

To the Superintendent of Schools, the School Board and the citizens of Pelham, New Hampshire:

I herewith submit my annual report as school nurse from September 1, 1960 to June 30, 1961.

| Number of room visits.....                   | 904 |

There weren't many contagious diseases this year but the colds, sniffles, and viruses were with us as in former years.

I am happy that Mrs. Catherine Hammond, our speech teacher, comes to Pelham every Tuesday morning, helping those pupils that have speech defects.

In March we had a smallpox vaccination and triple toxoid clinic for per-school children. Twenty children were vaccinated, and twenty-two were given triple toxoid inoculations. In May we had another pre-school clinic, thirty-six children were vaccinated, forty-five were given triple toxoid inoculations, forty-one children and thirty-two adults were given polio inoculations. In June we had the last of the series of pre-school clinics. There were seven triple toxoid inoculations and ninety-five children and fourteen adults were given polio inoculations. In May we also had an evening adult polio clinic with eighty-five adults being inoculated, and this was the fourth and final adult clinic. All these clinics were under the supervision of our State Health Nurse, Mrs. Marie Fahey, R.N. Dr. Oscar Burns of Milford, N. H., local nurses and clerks made these clinics a success and we are grateful for services rendered.

In April, we had our annual pre-school clinic for all children entering school in September. Sixty-nine children were examined by Dr. Marshall of Nashua, N. H.; each one had a dental examination by Mrs. Plaistead, State Dental Hygienist, and were given a tooth brush, their eyes were checked, and they were weighed and measured by the school nurses of Supervisory Union No. 27. Our clerks were local mothers.

The Salvation Army, the Police Department, the Grange, the Legion Auxiliary and P. T. A. helped with free milk and free lunches.

It was another busy year with many growing pains that come with an expanding population but with all pulling in the right direction, our large problems will be taken care of. I want to thank all who helped in any way, doctors, nurses, organizations, parents, clerks, Mr. Ramsay, Mr. O'Neil, Mr. Juris, and the teachers for their cooperation and contributions to the welfare of our coming citizens.

Respectfully submitted,

ANNA M. HORSKIN, *School Nurse.*

## TEACHER CONSULTANT'S REPORT

---

Mr. Louis Ramsay  
Superintendent of Schools  
Pelham, New Hampshire

Dear Mr. Ramsay:

The following paragraphs will constitute my final report as Teacher Consultant in the Town of Pelham, New Hampshire. On January 2, 1962, I will assume my new duties as assistant superintendent of the Portsmouth (N. H.) school system. My years spent in supervisory union No. 27 have been of great benefit to me. I shall miss the many fine professional associates with whom I have worked—the school board members, you, as superintendent, the school principals, teachers, and central office secretaries. One would need to go far to find as cooperative a “team” as that which serves our schools, and our school children.

I like to think that great strides in our educational system have been made over the past few years. Realistically speaking, we need to set our sights higher, indeed, we must keep moving. The challenges facing education today are complex and require one hundred percent cooperation from everyone who feels a concern that our students achieve to their fullest. The demands upon our schools are burdensome but should not be overpowering. Our teachers are well prepared but it must not stop there. They have a professional obligation to equip themselves so that they can do their jobs better. Education has no room for stagnation.

We, here in the Pelham Schools, feel that we have been doing our jobs as educators. An unusually large number of our teachers and administrators are working toward advanced degrees at leading colleges and universities. This they are doing at rather costly sacrifice, both physical and financial. In the next few succeeding years more and more towns the size of Pelham will be assisting teachers with tuition monies to help pay the cost of graduate courses. One would be amazed to know the large number of New Hampshire communities who are already providing such assistance.

As our school system grows in size I would hope Pelham townspeople keep a careful eye on class size, *especially in the first grade* but not solely. Many schools have a set policy in this regard, the bulk of which feel that a *maximum* of 30 pupils per classroom guarantees a greater degree of efficiency. I am of the opinion that twenty-five pupils per teacher in grade one is even more desirable.

I am extremely happy that your school board and administrators have sectioned off a rather bulky third grade into two sections. This will undoubtedly add to the overall school program. It is unfortunate however that the proposed library room will, out of necessity, have to be used as a classroom. I am happy that the proposed library plans have not been scrapped altogether however. Library books, including the many reference materials, will be purchased as planned. A school the size of Sherburne needs a central Library.

This year our school administrators have launched a full scale system of teacher evaluation. Periodic performance reports on each teacher are filed in each school and at the supervisory union office. This system of evaluation has been most successful and it has provided much in-service growth. This device protects us and you from unsatisfactory classroom experiences stemming from poor teaching ability. We must continue to improve that which we are now doing well.

Early in 1962 our schools will involve themselves with an expanded standardized testing program. These newer tests will measure many more curriculum areas than did the ones previously in use. We were fortunate to have been invited to participate

in a testing revision program by a nationally known Test Company. This invitation

will save the school district considerable expense and will provide teachers, principals, and guidance directors with a vast amount of information on each pupil. This new device will assist us in knowing the strengths and weaknesses of our school children so that we might keep the curriculum in healthy balance.

Teaching by television is not just a passing fancy—it is here to stay. Yet we need to take a searching look at the equipment on hand and be prepared to expend the services thereof.

There are other devices, techniques, and innovations presently going on in your school(s) all have potential and show promise. I urge parents to come into the schools often. Your presence is always desired. Our problems are complex but somehow their magnitude dwindle when sympathetic interested, and cooperative parents frequent the schools.

Pelham can boast of its elementary conversational French Program now in progress. This curriculum addition will lead to, it is hoped, the inclusion of French into the Junior High Program as an elective in the not-too-distant future.

In closing, Benjamin Willis, one of our nation's top educators has said of teaching, "Generally, to speak of the school is to conjure up in the public mind an image of a building. It would be closer to the truth if the word SCHOOL were to bring to mind a picture of the TEACHER. THE TEACHER MAKES THE SCHOOL."

Let us not forget that quotation for it certainly speaks the truth.

Respectfully submitted,

PAUL L. O'NEIL, *Teacher Consultant.*

## PRINCIPAL'S REPORT

---

Maintaining high standards of instruction is a task continued successfully only by means of a high degree of cooperation by all members of the team associated with your school. The team to which I refer by no means consists only of the administrative and teaching staff but also includes an interested and active Parent-Teacher Association, the town as a whole, and its elected school officials. During the brief time that I have served you as Principal of the E. G. Sherburne School I have found this team to be closely knit, cooperative, and working towards a common goal of providing better education for the youth of Pelham. It has indeed been a privilege to be a member of this team.

In striving toward the goal of better education we have recently modified and added to the instructional program. Attention has been given particularly to the areas of reading, mathematics, and foreign language.

For several years the children in grades 4 - 6 have been benefiting greatly by being involved in what is referred to as the Joplin Reading Plan. Basically, under this plan the children are grouped according to reading levels at which they meet with greatest success irrespective of actual grade placement. The results of this plan have proven to be most gratifying. In an effort to extend the benefits of this plan to a larger number of students and at the same time achieve greater grouping flexibility we have extended the program to include Grade Threc.

We recently embarked upon a similar plan in the area of mathematics. The children have been grouped so that it will be easier for individual pupils to progress at a rate commensurate with their ability. The end result will be a Jcplin grouping plan for mathematics similar to our reading plan. Furthermore, within this grouping plan, the institution of a modern mathematics program will be facilitated.

Finally, a valuable addition to the curriculum is our new Conversational French program. Under the able direction of Bryan Carpenter the children included in this program have attained an amazing degree of proficiency in a very brief period of time. I am sure that those of you who witnessed the program in operation at the November meeting of the P. T. A. share my enthusiasm over this addition to our curriculum.

I look forward to continued association with the E. G. Sherburne School as Teacher Consultant for Supervisory Union No. 27.

Respectfully,

RAYMOND G. EDWARDS, *Principal.*

# TOWN WARRANT

## THE STATE OF NEW HAMPSHIRE

---

*To the Inhabitants of the Town of Pelham in the County of Hillsborough  
[L. s.] in said State, qualified to vote in Town Affairs:*

You are hereby notified to meet at the E. G. Sherburne school "cafetorium" in said Pelham on Tuesday, the thirteenth day of March, next at ten of the clock in the forenoon, to act upon the following subjects: The polls will open at 10 a.m. and close no earlier than 6 p.m. The tentative date for the business meeting is Thursday, March 15, 1962 at 7:30 p.m.

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriation of the same, that is, if the Town will vote to accept the Town Budget as prepared by the Budget Committee and to take action thereon.

3. To see if the Town will authorize the Selectmen, or a majority thereof, and Town Treasurer to borrow necessary money in anticipation of taxes.

4. To see if the Town will vote to raise and appropriate the sum of \$707.00 as the Town's share of Town Road Aid, the State to contribute \$4,713.35 as the State's share, as provided by law.

5. To see if the Town will vote to purchase a fire truck not to exceed a purchase price of \$12,000.00, \$7,000.00 to be transferred from the existing Capital Reserve fund for this purchase, and to raise and appropriate the additional sum of \$5,000.00 for this purpose, or take any other action relative thereto.

6. To see if the Town will vote to raise and appropriate the sum of \$2,000.00 to add to the Capital Reserve Fund, for the purpose of purchasing a fire truck, or take any other action relative thereto.

7. To see if the Town will vote to transfer any unexpended balance of the Fire Department appropriation for the fiscal year ending December 31, 1962 to the Capital Reserve Fund, for the purpose of purchasing a fire truck, or take any other action relative thereto.

8. To see if the Town will vote to raise and appropriate the sum of \$3,000.00 for the purpose of alterations to the first floor of the town hall to make it habitable for the use of the Town Officers, and the installation of a heating plant for the second floor, or take any other action relative thereto.

9. To see if the Town will vote to adopt Chapter 252, Sections 1 to 3, relating to the construction of sidewalks within the Town, or take any other action relative thereto.

10. To see if the Town will vote to raise and appropriate the sum of \$3,700.00 for the construction of a sidewalk on the South-erly side of Route 38, Gage Hill Road, so called, beginning at or near the Middle Bridge and running Westerly along the said public way to St. Patrick parking lot, an approximate distance of 750 feet, or take any other action relative thereto.

11. To see if the Town will vote to raise and appropriate the sum of \$500.00 for the purpose of looking up and surveying lands owned by the Town, or take any other action relative thereto.

12. To see if the Town will vote to raise and appropriate the sum of \$500.00 for the purpose of continuing the use of the State Tax Commission in appraising new properties, or take any other action relative thereto.

13. To see if the Town will vote to raise and appropriate the sum of \$600.00 payable \$50.00 monthly as a pension to retired Police Chief Arthur H. Peabody, or take any other action relative thereto.

14. To see if the Town will vote to elect by ballot a permanent police officer for full time duty in accordance with Revised Statutes Annotated, Chapter 41, Section 47 as amended, or take any other action relative thereto. (by petition)

15. To see if the Town will vote to change the term of office of the Highway Agent, from one year to three years, or take any other action relative thereto. (by petition)

16. To see if the Town will vote to amend Article IA, Section b of the Zoning Ordinance for the Town of Pelham by adding to the said Section b an additional business area described as follows:

Beginning at an iron pipe on the west line of Bridge Street, said pipe being at the intersection of Old Bridge Street and Bridge Street, Route 38; thence South 3° 48' west one thousand

sixty-five and 5-10 (1065.5) feet, more or less, by the west line of Bridge Street by land of Russell and Earl Leonard to land now or formerly of Bertha M. Russell; thence northwesterly and southwesterly by said Bertha M. Russell land by a wall to Old Bridge Street; thence northerly and northeasterly by the east line of Old Bridge Street to the point of beginning, or take any other action relative thereto. (by petition)

17. To see if the Town will vote to amend Article IIIA of the Pelham Zoning Ordinance as amended by adding to said Article IIIA an additional paragraph to be numbered No. 8, or take any other action relative thereto:

No. 8. It shall be permissible for a home owner and resident to operate a dog kennel in said district. (by petition)

## INVENTORY AND EXEMPTION BLANKS

---

Inventory Blanks will be distributed to all property owners the latter part of March. Instructions for filling out these blanks and laws relating to inventories are found on the back of the form and should be read and carefully followed.

Exemptions for War Service Application will also be distributed the latter part of March. New residents and new property owners should apply to the Board of Selectmen for blanks as applications are only sent to Veterans who have formerly received Exemptions. The Selectmen have no way of knowing whether a new resident is a Veteran or not. Veterans should carefully read the laws and instructions relating to the Exemption on the back of the form.
