TOWN WARRANT

STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Pelham, in the County of Hillsborough in said State, Qualified to vote in Town Affairs:

[L. S.]

You are hereby notified to meet at the Town Hall, in said Pelham on Tuesday the 12th day of March next, at one of the clock in the afternoon, to act upon the following subjects:

1. To choose all necessary town officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for ensuing year, and make appropriation for the same. 2253.

3. To see if the town will vote to raise, appropriate and set apart $5,000.00 for State Aid maintenance as recommended by the State Highway commissioner. 200

4. To see if the town will vote to raise, appropriate and set apart the amount necessary for the construction of permanent highways under the law passed at the January session, 1905.

5. To see if the town will vote to raise, appropriate and set apart $3,579.55 for town maintenance of highways and bridges, or take any other action in relation thereto. 2500.

6. To see if the town will vote to raise, and appropriate $200.00 for the control of the white pine blister rust, to be used with the amount appropriated by the state. 200.

7. To see if the town will vote to accept the part of the middle bridge formerly used by the Massachusetts Northeastern Street Railway Company, and make necessary improvements on the same. 4250.

8. To see how much money the town will raise and appropriate for the Public Library in addition to the amount required by law. 450.

9. To see how much money the town will vote to raise and appropriate for cemeteries for the ensuing year. 150.

10. To see how much money the town will vote and appropriate and raise for Memorial Day.

11. To see if the town will vote to empower the Selectmen to sell and convey a part of the land recently acquired from Mary Elizabeth Grafton as the Fire House lot.

12. To choose two persons for three years as trustees of cemeteries.

13. To choose one person for three years as trustees of the Public Library.

14. To choose one person for three years as trustee of Trust Funds.

15. To see if the town will vote to purchase a tractor with equipment to be used in highway work, and make appropriation therefor.

16. To see if the town will vote to close the highway leading from the house of John W. Smith to the Simpson Pond road near the Windham town line, subject to gates and bars.

17. To see if the town will authorize the selectmen to distribute the inventory blanks when they make their appraisal in April.

18. To see if the town will vote to allow a discount of 2 per cent of the 1929 tax list paid on or before September 1, 1929.

19. To see what action the town will take relative to the removal of snow from the highways, and raise sufficient money to carry the same into effect, or take any other action relative thereto.

20. To see if the town will authorize the selectmen and town treasurer to borrow a sum not exceeding $5,000.00 in anticipation of taxes.

21. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this 16th day of February, in the year of our Lord nineteen hundred and twenty-nine.

CHARLES W. HOBBS,
JOHN W. SMITH,
Selectmen of Pelham.

A true copy of Warrant—Attest:

CHARLES W. HOBBS,
JOHN W. SMITH,
Selectmen of Pelham.

AUDITORS' REPORT

The undersigned Auditors of the town of Pelham certify that we have examined the books of the selectmen, treasurer, tax collector, town clerk, treasurer of trust funds and treasurer of cemetery trustees. We find the selectmen have issued orders on the treasurer to the amount of $29,651.01 and said orders were properly receipted. That the treasurer has received from various sources $31,674.16 and has paid the above mentioned orders, leaving a balance in the treasury of $2,023.15. The collector has $3,072.91 of the 1928 taxes to collect. The town clerk has paid the treasurer $1,150.89 for auto permits of which $759.33 is for 1929 permits. The treasurer of trust funds has a balance of $836.66 on hand. The treasurer of cemetery trustees has a balance on hand of $6.39. Total amount of trust funds is $7,192.50.

CATHERINE DONOVAN,
CLIFTON H. MERRIAM
Auditors.

CHILD HEALTH CONFERENCE

The following is a report of the work of the State Board of Health, division of maternity, infancy and child hygiene.

In Pelham, during the past year, a Child Health conference was held at which 36 children were examined. 17 of these children were found with defects.

Many home visits were made, to the mothers of infants, and pre-school children, and advice given by the State nurse, Mary G. Hurley in charge of the work in Hillsborough County.

BOARD OF HEALTH REPORT

During the last year we had one case of scarlet fever, and over one hundred (100) cases of measles, most of which was due to carelessness of certain parents. In the coming year the board insists, that all children with suspicious symptoms, be kept from school until recovered.

DANIEL G. CARLETON,
Health Officer.

Superintendent

LOUIS DeWITT RECORD

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School district in the town of Pelham qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the twenty-third day of March, 1929, at 1:30 o'clock in the afternoon, to act upon the following subjects:

1. To choose a moderator for the coming year.

2. To choose a clerk for the ensuing year.

3. To choose a member of the school board for the ensuing three years.

4. To choose a treasurer for the ensuing year.

5. To determine and appoint the salaries of the school board and truant officer, and fix the compensation of any other officers or agents of the district.

6. To hear the reports of agents, auditors, committees, or officers chosen, and pass any votes relating thereto.

7. To choose agents, auditors and committees in relation to any subject embraced in this warrant.

8. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of this district, as determined by the school board in its annual report.

9. To see how much money the district will vote to raise and appropriate for the repair of school houses and buildings.

10. To transact any other business that may legally come before said meeting.

Given under our hands at said Pelham this 16th day of February, 1929.

WILLIS E. PEARSON,
ERNEST G. SHERBURNE,
CLARA C. JACK,
School Board.

A true copy of Warrant—Attest:

WILLIS E. PEARSON,
ERNEST G. SHERBURNE,
CLARA C. JACK,
School Board.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board of Pelham:

GREETING:

Herewith please accept my tenth annual report as superintendent of your schools. To this I have attached reports from the headmaster of your high and junior high schools, and from your school nurse.

MEMBERSHIP AND ATTENDANCE

The membership of your schools in January of this year was as follows: high school, 18; junior high, 27, No. 1, 36; No. 2, 24; No. 3, 18; No. 4, 35; No. 5, 19; total, 177. This is larger than the average membership has been in any year since 1923.

It is to be regretted that the daily attendance has been seriously cut down in some of your schools, since they opened in January, by the prevalence of epidemics. Whenever a contagious disease breaks out in a community there is always a popular clamor for the closing of the schools. The school board is then placed in the unenviable position of keeping the schools open 36 weeks before July 1, when the new school year begins, and at the same time closing the schools when the attendance will be interfered with by the epidemic or when transportation will be difficult on account of mud. There seems to be no relief from compliance with the 36 week requirement of the statute and at the same time it seems a waste of money and effort to maintain a school with a fractional attendance. I believe it would help matters materially if the public thoroughly appreciated the fact that children are, as a whole, in better health when the schools are in session than during vacations. From a careful study of school registers I have found that almost invariably there is a larger number of absences on account of illness during the first few days of a term than during the following weeks. Probably this is due to a failure to maintain during vacations their regular habits, especially of eating, sleeping, and recreation. In all probability

the danger of infection is no greater for the child attending school than for the one remaining out, but who, as usually is the case, is allowed to visit other communities and allowed to attend other gatherings. School is safer than the outside world.

I trust that parents of pupils in the Pelham High will make every effort to secure a good attendance in that school for the remainder of the year, as a low attendance record would endanger our approval for another year. It would be a calamity for the school to lose its approval at a time when the work is as satisfactory as it is at the present time.

In General

I believe that your corps of teachers at the present time is an efficient force and that the work in all of the schools is progressing as satisfactorily as at any time during the past decade. However, in order to constantly improve the work, we are making an effort to improve the health program in some of the schools. This is a subject receiving much attention in the public schools of today. I wish it might be possible to act on my suggestion of last year in regard to a noon lunch in the new school.

Asking you to carefully consider the attached reports and thanking the board for the many considerations shown me during the past year, this report is,

Respectfully submitted,

LOUIS DeWITT RECORD,
Supt. of Schools, Union No. 27.

February 1, 1929.

REPORT OF HEADMASTER

Mr. Louis D. Record, Supt. of Schools, and Pelham School Board:

Citizens of Pelham:

It is with pleasure that I submit my third annual report concerning the work accomplished and the social happenings of Pelham High School.

I am pleased to state that at the beginning of this year, on September 9, 1928, there was a total enrollment of eighteen pupils; ten of which were in the ninth grade and the remaining eight in the tenth. These two grades correspond respectively to the first and second years of any high school.

The high school curriculum is much the same as in previous years, namely:

Year I

English I	40 min. period—5 days per week.
Hist. of Civilization	40 min. period—5 days per week
French II	40 min. period—5 days per week
Algebra	40 min. period—5 days per week
Fundamentals	20 min. period—5 days per week

Year II

English II	40 min. period—5 days per week
Mod. Euro. Hist.	40 min. period—5 days per week
French III	40 min. period—5 days per week
Algebra	40 min. period—5 days per week
Fundamentals	20 min period—5 days per week

Although we are unable to give the pupils an opportunity to have a choice in the studies they take, we feel that we are giving them something (the best we can under the circumstances) to meet life's problems more easily or to prepare them to go on with education (which we hope they all will do).

To my knowledge everyone who has transferred from here to any other nearby high school has been able to keep up with the class in which he or she would have begun as a Freshman. I do not doubt that any pupil going to a larger

high school from here has many problems which at first seem impossible to encounter. There is a line which goes "where there's a will, there's a way" and none ever got an education without some effort (physical, mental or financial). After all is it not worth it?

We all want to express our thanks to the townspeople for being able to build for us a new driveway. Do not ask us if we appreciate it but just watch us walk in on a rainy day without sinking in mud and water.

The annual bazaar differed from former years, in fact, it could hardly be called a bazaar. The reason for this change was not due to lack of interest on the part of the pupils but because they realized that little profit was gained from the small sale that they were able to show. Therefore we presented two plays and received practically the same profits as before.

The money, plus a little help from the school board, was used for some much needed and now much used encyclopedias, "The World Book."

Since Christmas vacation we have been working under a very serious difficulty, poor attendance. Owing to so much illness in this community an average of from 50% to 75% of the scholars have been absent. We hope soon to have 100% attendance to continue until the closing of schools in June.

The teachers of Pelham High School extend thanks to the Superintendent, to the School Board, and to the parents and other citizens of Pelham for their faith in us and for helping us to make our school worth while.

Respectfully,

RUTH L. RICHARDSON,
Headmaster.

REPORT OF SCHOOL NURSE

To the Members of the School Board of Pelham:

I herewith submit my report as school nurse for the past year.

I am glad to report that the number of defects of various kinds have decreased and the number of treatments secured or improvements shown has increased. It is very gratifying to me that the corrections of these defects have been secured through the effort of the parents and at their own expense.

We still have quite a large number of underweight children and in most every case these children have defective tonsils not yet removed and in a few cases the tonsils have been removed, but, the child has not had time to gain. I hope another year will show a decrease in the number of underweights.

We have a large number of unvaccinated children in the school, some of these have been vaccinated twice, through the efforts of the local Board of Health, but without results. I think if the Board of Health will co-operate with us again in the fall we will be able to have all the children successfully vaccinated or vaccinated the three times as required by the state law. Some of the children in the entering class were vaccinated before entering school in the fall.

I have found all the schools very clean this past year, very well ventilated and the heating of the rooms very even. The toilets are not as satisfactory, I think the vaults should be cleaned every vacation and the teachers be supplied with a disinfectant to sprinkle in the vaults at least twice a day, the expense would be small compared with the benefit gained.

The teachers have been splendid in their co-operation and the results are shown by the improved conditions of the children in general. It is a pleasure to work with the parents and teachers and I wish I had more time to give to the town.

I am adding a list of defects found and treatment secured or improvements shown.

		Treat'nt secured or improvement shown.
Number examined	163	
7% or more underweight	25	15
Number defective teeth	34	24
Number defective tonsils	32	18
Number defective vision	15	13
Number enlarged glands	6	3
Number speach defects	2	
Number skin disease	5	4
Number pediculosis	9	9
Number unvaccinated	52	

Respectfully submitted,

JOSIE MERRILL, R. N.,
School Nurse.

I hereby certify that the foregoing records of Vital Statistics of the Town of Pelham, N. H., for the year ending 31, 1928 are correct according to the best of my knowledge and belief.

GEORGE P. WOO
Town C

NOTICE TO PROPERTY OWNERS

In accordance with the statutes (New Hampshire Laws of 1907, Chapter 147) you are requested to take measures to suppress the brown tail moth and the gipsy moth on your premises. The law declares these insects to be a public nuisance and orders their suppression by property owners. Suppression is enforceable by law up to a cost of one-half of 1% of the tax valuation of the property concerned.

Necessary measures must be completed on or before March 20.

This notice is sent to all property owners in accordance with instructions of the Division of Insect Suppression, of the State Department of Agriculture.

The Brown Tail Moth

This pest is present in numbers on apple and pear trees and on many shade trees. Through the winter it occupies webs as big as a hen's egg, attached to the tips of twigs. All such webs should be cut off carefully, gathered up and burned.

The Gipsy Moth

The gipsy moth is found through the winter in the form of egg-masses attached to the trunks of trees, stones, piazza posts, or other locations. Each egg-mass is ¾ to 1½ inch long, is covered with fine hairs and is the color of chamois skin. Egg-masses should be painted with creosote. Scraping them off will not destroy them, because the eggs will hatch even though lying on the ground.

Obligation of Property Owners

If the insects described above are not suppressed on or before March 20, the duly constituted authorities have the right to enter upon property and to take such measures as may be necessary. The property owner will be liable for the expense in connection with such action within the limits prescribed by law.

Signed CHARLES W. HOBBS, GAGE A. FOX, JOHN W. SMITH Selectmen of Pelham
